¹ The active ARI reference numbers provided are sourced from the AHRI Directory. Active reference numbers can become discontinued at any time. Model status of "Active" means model is currently in production. "Discontinued" means that the manufacturer has elected to stop producing, yet stock is still available. To verify any active or discontinued reference number, or to print an ARI certificate, visit www.ahridirectory.org. ² The version code for a condenser will change from time to time and require a new AHRI reference number. To obtain a reference number for a match-up not listed here please contact us at 905-857-9755 or info@ecovisionsales.ca
